## **Satellite Technical Information**

Thursday, December 11, 2003  
1:30-3:00 PM EST

### **Overview**

It has been noticed that during previous videoconferences that some sites will try to receive a broadcast without having a technical person present who understands how to tune in the receiver. These sites often miss the videoconference and experience a high level of frustration. Eastern Kentucky University (EKU) will only assume responsibility for program transmission. Each receiving site will be responsible for its own reception of the program.

### **Video Rights**

Neither EKU nor OJJDP possess any specific rights to the videoconference broadcast. You are free and encouraged to videotape this event for future use. Written consent does not need to be requested. If, for any reason, you are unable to successfully tape the program, videotape copies will be available through the Juvenile Justice Clearinghouse (800-638-8736) for \$15.

### **Technical Assistance**

Prior to the day of the broadcast, you are encouraged to call the EKU office at (859) 622-6671 if you need assistance. **On the broadcast day, any requests for assistance should be directed to 1-800-895-4584.**

### **Closed Captioning**

JJTAP offers closed captioning for the hearing impaired for all OJJDP broadcasts. Please consult your technician or the television manual to enable this option. JJTAP will be unable to assist with technical questions regarding the reception of closed captioning at your site.

### **TO TEST SIGNAL:**

A test signal begins **30** minutes prior to the live broadcast. Technicians should check satellite receive equipment during that time. If you have problems, call 1-800-895-4584. **Please note that this number is reserved for the day of the broadcast only.** Questions prior to that time should be directed to (859) 622-6671.
